It's never too late to rebuild your relationship. I was once struggling in my relationship and I came to a turning point when I was asked if I wanted to be with my husband? That was one of the most important moments in my life, choosing is about taking responsibility for your part in the relationship. It comes down to RESPECT. What is respect?

It's a deep admiration, having compassion, valuing someone's feelings, views and wishes. Individuals that prioritise respect are more likely to form positive and meaningful relationships.
